Fall Festival Update

Hello to all,

The latest Quilters meeting was scheduled for January 22 (our first meeting since October). We are excited to be able to meet again.

In other news, the IAPA is currently planning to have the Fall Festival on Saturday, September 25 at the grounds. We will need vendors of all kinds for the festival, such as food, crafts, antiques, repurposed items, and other festival items. Please spread the word! You can contact me by email at IAPAFALLFESTIVAL@gmail.com for information or vendor contracts.

Plans for the Year

Submitted by: Joan Fry

Happy New Year!

We are all hoping for a wonderful year, free of COVID worries and adaptations! Being the optimistic folks we Illiana folks are, here are some dates to mark on your calendar.

The July show featuring the old Case tractors from last year - July 16,17,18 (Same Engine as last years plan but I don't remember it...sorry engine guys,)

History Day - September 17, 2021 on the show grounds. More YouTube videos should also be available by then.

Craft Fair and Swap Meet - September 25. It will be our first and we hope to make it absolutely fabulous! More details later.

Christmas in the Village - December 3-4, 2021. Some new things in the works.
Stay tuned!

I personally feel like we have been in quarantine forever and I can hardly wait to get out and let folks know we are still here and kicking. If it helps any, we are in Florida right now and the Florida Flywheelers have also cancelled their shows for January and February along with a bunch of club meetings etc. Antique power folks all over are hoping for better times. I think we all need to pray for the vaccines to be the magic that gets us back to regular fun and games. Get ready, 2021 will be a great year!
